105.16(1) *Generally.* A facility shall have written policies regarding methods used for control and discipline of children which shall be available to all staff and to the child's family. Discipline shall not include withholding of basic necessities such as food, clothing, or sleep. Agency staff shall be in control of and responsible for discipline at all times.

105.16(2) *Corporal punishment prohibited.* The facility shall have a policy that clearly prohibits staff or the children from utilizing corporal punishment as a method of disciplining or correcting children. This policy shall be communicated in writing to all staff of the facility.

105.16(3) *Physical restraint.* The use of physical restraint shall be employed only to prevent the child from injury to self, to others, or to property. The rationale and authorization for the use of physical restraint, and staff action and procedures carried out to protect the children's rights and to ensure their safety, shall be clearly set forth in the child's record by the responsible staff.

105.16(4) *Room confinement.* Facilities shall provide sufficient programming and staff coverage to enable children to be involved in group activities during the day and evening hours. A child shall only be confined to the child's room for illness, at the child's own request, or for disciplinary reasons. A juvenile detention home may confine a child to the child's room during normal sleeping hours if the facility has written policies and procedures which are approved by the department regarding this confinement.

105.16(5) *Written policies.* The facility shall provide to the child written policies specifying inappropriate behaviors, reasonable consequences for misconduct, and due process procedures available to the child. Upon request, the above information shall be provided to the child's parent or guardian and referring worker.
